

# Project Information Sheet

## PROJECT DESCRIPTION

The project will include 11.31 km of asphalt concrete resurfacing and road reconstruction on Highway 302 in the vicinity of Prince Albert.

The limits of the project are from 13.50 km east of its junction of Highway 3 to 7.08 km west and from 6.42 km east of its junction of Highway 3 to 4.08 km west.

## PROJECT DETAILS

- The Contract Number for this project is H25005.
- The Contractor for this project is HJR Asphalt Inc.
- The Contractor's address as indicated on the bidder's signing block is Saskatoon, SK.
- Contract supervision will be provided by Prairie Road Solutions Inc. personnel.
- The Contractor anticipates beginning aggregate production on March 23, 2026, with work expected to be completed by May 15, 2026. Roadwork is expected to commence on May 11, 2026, and is projected to be completed by October 31, 2026.
- During aggregate production, the travelling public can expect minimal to no delays or disruptions to their normal travel schedules, as the Contractor does not plan to haul the material at this time.
- The estimated total cost of this project is \$13.5 million, including materials, construction engineering, and PST.
- This is a Capital Program project in the Northern Maintenance Region.
